11:00 a.m. - 12:00 Noon Meet in the Commons for snacks and overview of the law enforcement program.

1:00 p.m. Meet with law enforcement faculty.

MINNESOTA WEST WORTHINGTON CAMPUS

to **RSVP** or for more information contact Michael Cumiskey at 507-372-3469 by email at michael.cumiskey@mnwest.edu or www.mnwest.edu/worthington-law-enforcement-day

Law enforcement day is set up to allow potential students to come to the Worthington campus to “sit in” on a typical day’s classes that law enforcement students attend while in the program. This will give potential students a feeling for the program and allow them to meet the instructors, tour the campus

and program facilities, and receive information on the program. Students who participate in Law Enforcement

Day will have the opportunity to apply to Minnesota West during the free application month and individuals who apply during this event will have their college application fee waived. Interested students will receive information about program entrance requirements and will discuss the information included in the law enforcement packets.
